REGULATIONS

Of the Fifth N. C. State Fair, to be held in Raleigh, commencing on the 20th Oct., 1857.

1. All members of the N. C. State Agricultural Society will be furnished with a badge of membership, upon payment of the annual tax of \$2, and will be required to wear the same during the Fair. This badge will admit the ladies of his family and children under 18 years of age, during the Fair.

2. Members of the Society and families alone will be admitted on Tuesday, the day for examination and awards by the judges. All competitors are expected to be present. The public will be admitted on and after Wednesday, at 10 o'clock. Price of admission 25 cents. Children and servants 12 1/2 cents. Clergymen, Editors and pupils of charitable institutions admitted free.

3. Agricultural societies and institutions from other States are invited to send delegates. Such delegates will be presented with a complimentary card.

4. All exhibitors who intend to compete for the premiums of the Society, must become members of the same, and have their articles on the ground and entered at the Secretary's office in Reception Hall, at or before 5 o'clock on Monday evening, Oct. 19th, without fail, so that they may be arranged in their respective departments, and in readiness for examination by the Judges on Tuesday morning at 10 o'clock.

5. The regulations of the Society must be strictly observed by exhibitors, otherwise the Society will not be responsible for the omission of any article or animal not entered under its rules.

6. No article or animal entered for a premium can be removed or taken away before the close of the exhibition. No premium will be paid on articles or animals removed in violation of this rule.

7. All articles and animals entered for exhibition must have cards attached with the number as entered at the Secretary's Office; and exhibitors, in all cases must obtain their cards previous to placing their articles or animals on the Fair grounds.

8. Those who wish to offer animals or articles for sale during the Fair must notify the Secretary of such intention at the time of entry.

9. The Executive Committee will employ a day and night guard, and will use all reasonable precaution in their power for the safe preservation of all articles and stock on exhibition, but will not be responsible for loss or damage that may occur. Exhibitors must give attention to their articles or animals during the Fair, and at the close of the exhibition attend to their removal.

10. The awarding committee or judges, selected for the next Fair, are earnestly requested to report themselves to the chairman of the Executive Committee at Reception Hall, upon the grounds of the Society, on Tuesday morning, the 20th day of October, 1857.

11. In no case can the judges award special or discretionary premiums; but will recommend to the Executive Committee any articles in their class which they may deem worthy of special notice and for which a premium has not been offered.

12. The judges on animals will have regard to the symmetry, early maturing, thorough breeding, and characteristics of the breeds which they judge. They will make proper allowances for the age, feeding and condition of the animals, especially in the breeding classes, and will not give encouragement to over fed animals.

13. No stock of inferior quality will be admitted within the grounds; a committee will be appointed to rule out all below a medium grade.

14. Animals to which premiums have been awarded must be paraded around the track, that visitors may see the prize animals.

15. No person will be allowed to interfere with the judges during their adjudications.

16. The several superintending committees will give particular direction to all articles in their departments, and see that all are arranged in the best order possible to lessen and facilitate the labors of the judges in their examination.

17. The superintendents will attend each set of judges in their respective departments and point out the different articles or animals to be examined, will attach prize cards to the articles, or flags to the successful animals after the judges' reports have been made up and delivered to the chairman of the Executive Committee.

18. The judges will withhold premiums on animals or articles in their opinion not worthy; though there be no competition.

19. Premiums of \$25, and upwards will be awarded in Plate, unless the person to whom the award is made shall prefer the payment in money.

20. Stock brought to the Fair for sale will have an enclosed lot adjoining the Fair grounds assigned them, with water convenient, where they can be kept at the expense of the owner.

21. Articles manufactured in the State, when brought in competition with foreign articles will take precedence, other things being equal, and the foreign article be entitled to a second premium.

22. Articles not enumerated will be entitled to discretionary premiums at the option of the Executive Committee.

23. The Chief Marshal, with efficient aids, will be in attendance during the hours of exhibition to keep proper order.

24. No exhibitor will be permitted to enter more than one animal in each of the sub classes.

25. Animals, when duly entered, are well provided for by the Society, without charge to the owner, and cannot be removed from the ground, except by permission of the Executive Committee.

26. All machines, implements, or other products of mechanical art, must be exhibited by their respective makers, or inventors, or improvers, or their assigners, to or for whom only premiums for such articles will be awarded.

27. Every machine or implement offered for a premium, must be so designated or described as will serve to identify it to future purchasers, and also the selling price of the article must be stated and marked on the labels and in the public reports of premium articles.

28. Efficiency, cheapness and durability will be regarded as chief excellencies in every machine or implement.

29. The Chief Marshal will call the Judges at 10 o'clock on Tuesday morning—assemble them at his tent on the grounds—furnish them with the printed list of premiums, also with blank books to register their awards, and have the Judges conducted by the assistant marshals to their respective departments of the exhibition.

30. The Marshal and his aids shall give particular attention to the proper arrangements of all articles exhibited in their respective departments; point out the articles or animals to the Judges, and otherwise facilitate the examination by the Judges.

31. The track will be open for the trial of harness and saddle horses every day during the Fair.

32. A band of music will be in attendance each day during the hours of exhibition.

33. An efficient police will take charge of the grounds during the night.

TEACHERS' ASSOCIATION.—Conversing with a very intelligent teacher of our Common Schools, we learned from him that it was the desire of many of the teachers of the county to form an association for the benefit of those engaged in the instruction of the youth of our county.

We highly commend and appreciate such a movement, believing it beneficial not only to teachers themselves, but to parents and children. For by an exchange of experience greater perfection can be attained in the art of imparting instruction. And this is of more importance to a child than any other qualification of its preceptor. We hope that an association of the kind alluded to will be formed at an early day, and anything we can do for the advancement of the commendable objects it has in view shall be done most cheerfully; and we doubt not that the citizens of the county will do all they can to promote the immediate organization of the association.—Newbern Express.
